The Day of the Master and the Mother of the World *100 years of Agni Yoga*

Message given: evening of March 24, 1923 to Nicholas and Elena Roerich

The day of March 24th will be My Day
And the day for initiating events.
Let this day be dedicated to Me
And for this one you will gather
In rest and in silence, and for a time
You will join your thoughts about Me and Mine.

The Lights of Victory (Flowers of Timur) - 1933

ALIGNMENT

Let us connect with the Hearts and Souls of Individuals and Groups around the world.

Agni Yoga reading and reflection.

When the planet loses its equilibrium owing to the loss of spiritual understanding, the consequences to the planet are inevitable; for there is no karmic effect without cause and no cause without effect.

The manifestation called forth by the loss of spiritual strivings will certainly induce those impulses which will bring regeneration to the planet.

The appearance of physical changes will give to the planet the understanding of Agni Yoga. The financial crash will effect a revaluation of values. The distortion of religions will result in a search for a new spiritual achievement. Therefore, verily, the crumbling of the old world is a new affirmation, for through the coming of new values We bring to the world the salvation of spirit.

Thus, upon the principle of Fire the world is regenerated. The fire of the centers, the fire of the spirit, the fire of the heart, the fire of achievement, the fire of attainment, the fire of Hierarchy, the fire of Service—these constitute the principles of the New World. The blended arcs of consciousnesses thus create the Highest Will. Verily, the great Banner of Peace will cover the entire world. Verily, a great time, the time of great fulfillments. Thus the time of great action approaches.

CONTEMPLATION

Let us contemplate the painting "*Lights of Victory*" for several minutes in silence, imagining that the Fiery Towers light up at the same time all over the planet, unifying all Agni Yoga Disciples and Groups in the word.

SOUNDING the AFFIRMATION

May the Teaching of Agni Yoga enter a new Cycle of the Spiral, bringing Fire, Courage, Love and Compassion in Human Hearts and Consciousness.

PEACE! PEACE! PEACE!
